**St. Patrick’s COLA**  

St. Patrick’s Primary School is well on its way to having its COLA complete. The COLA, (Covered Outdoor Learning Area), will allow the children of St. Patrick’s to learn under cover and in a variety of ways which in the past have not been possible. The COLA will provide the children with a dry, shaded area for play and learning all year round! With the inclusion of a basketball, netball and tennis court all constructed on a synthetic base.

St Patrick’s, in conjunction with the Catholic Education Office Sandhurst, submitted a Minor Capitals Work grant to employ funds so that the children of St. Patrick’s have access to the same learning conditions as all other children. We are truly lucky to have received this grant and we hope that the new facility benefits the whole community.

St. Patrick’s will celebrate its sixtieth year this year and we have planned a combined celebration of the COLA’s official opening on Friday 18th March at 6:00pm. We are hoping one and all from the Pyramid Hill community come along and celebrate with us!

The celebration will have food and drinks for sale, a DJ, bungee run, zorb balls, face-painting, airbrush tattooing, jumping castle, treasure hunts, a shoot out competition, along with an historical gallery to explore.

All entertainment is FREE, so come along and join in the fun!

Pyramid Hill Farming for Sustainable Soils

Family Drought Response Event

The Pyramid Hill Farming for Sustainable Soils Group has been operating for a bit over a year now, and is aimed at improving the health and productivity of the soils in the region. It is funded by the federal government through the North Central Catchment Management Authority (NCMCA), but the activities are decided upon by the group members. Last year we conducted a number of activities, including trials with gypsum and compost, the installation of moisture probes, soil samples and pits, and guest speakers to help better understand soil, livestock and crop management.

To kick off this year’s activities, and because of the tough season last year, we are having a family evening on Friday 18th March, with a focus on dealing with drought. We have organised Nick Shady as a guest speaker, who is a newly published author, speaker, farm management expert, and part time grain farmer. Nick is also a steering committee member of “The Ripple Effect”, the aim of this project is to help farmers cope with the stresses of everyday life. He is very passionate about helping farming families stay on the land through tough times. Nick, along with his wife, Ayesha Hilton, have just released a book called “Who Gets the Farm?” and largely focusses on the importance of communication, and ways to develop a farm succession plan.

On the night Nick will speak about not only succession planning, but the importance of keeping an open dialogue with family and friends, and looking out for your family, friends and neighbours, especially when facing tough times. For this reason it is highly recommended that not only farmers come along, but partners also. In order to make this a bit easier for those with children, we are making it a family night with a free BBQ, and for the kids, a jumping castle, face painting, and a magic show by Mister Mike. We are also hoping to have some girls there to help watch the kids so that Mum’s and Dad’s can listen to Nick without having to worry about the children. Local Rural Financial Counsellor, Teresa Meulendijks will also be there to explain what her service can provide for those people in need. I am also hoping to get someone from the Salvation army to attend to let people know about the service they provide for people in need, though this is yet to be confirmed.

The evening is not just for farmers or soil group members, and anyone who is feeling the effects of the drought (such as reduced spending in your business, or less work for casual workers), is welcome to attend. This will be held at the footy ground (Mitchell park), and is a free event so come along and have a relaxing night out with the family. Drinks will be available at bar prices. If you are planning to come could you please RSVP by this Monday 14th March for catering purposes so we don’t fall short on food. RSVP to Adam Twigg ph: 0427 557 253 or email ajt1505@hotmail.com
**Responsibilities Regarding Purchasing Alcohol**

Hello all,

Recently it has come to my attention that residents of Pyramid Hill are purchasing alcohol on behalf of others who are currently banned from purchasing alcohol from both the Pyramid Hill IGA and Victoria Hotel. If residents are doing this, it is to STOP. Persons banned are banned for a reason, and purchasing alcohol for them is only making the current problem worse. It also has an effect on the image of our great town. The last thing we want to see or hear is tourists witnessing acts of public drunkenness and anti social behaviour in the main street of Pyramid Hill. If I receive credible information relating to persons purchasing alcohol either for minors or banned persons then I will take the appropriate action to see these persons prosecuted, either by issuing a penalty notice or taking the matter to a local Magistrates Court.

We are a small community, and so many of us are forever trying to promote Pyramid Hill as a family friendly town. Let’s cut out the anti social behaviour and public drunkenness issues by sticking together and weeding it out.

As always I am available at the Pyramid Hill Police Station if you wish to discuss the matter further.

Seniors News

Don’t forget our Luncheon is on Thursday, 17th March, St. Patrick’s Day, so come along wearing something green, to have a fun day. Ring Peg on 5455 7191 to put your name down.

“The Road to Nhill” DVD on Monday was very interesting. Sixteen of us enjoyed picking out where the movie was filmed eg the Hostel when it was the hospital, Dave & Jan Burke’s lovely garden, Pickles (Ern & Ken) farm, Brooke’s Ag Store and trying to work out who the characters were. Very funny - cuppa and afternoon tea followed.

Bingo - Bernie and Ernie had a good day, winning 4 games each. Lucky cards when to Wanda, June, Bernie, Ian Mac and Ernie.

Why not come along for a bit of fun.

Cards - usual four played 500, Trevor & Peg won 5 games, Jeanette & Kate one.

Hope everyone is staying cool and well with this horrible heat - some rain is desperately needed.

Happy Birthday to Lorraine Fawcett and Lorna Forster on the 6th and Joyce Miles on the 14th.

60 and Over: Last week our Club hosted the 60 and Over teams who did an amazing job to cope with the heat. The cool drinks were high on demand once the matches were finished. Our blokes, Andy, Bill, Alan j and Ernie got off to a flying start when they ‘clean sheeted’ their opponents from Gunbower 27-zip. Things looked really promising and the dead chook had one foot in the pot. However, that is as close as it got as the next two games were not winning ones. With one week to go let’s hope the chaps can cap off with at least a pot of broth. Thanks to the ladies who provided the afternoon tea. The sandwich making is down to a fine art!

Saturday Pennant results: The first two rounds of finals play were held last weekend over two days. Due to the extreme heat the matches commenced at 9:30am instead of the usual 1:30pm. Semi final results as follows: Division 1- Kerang 80 v Cohuna Golf 1 51 and Cohuna 67 v Leitchville 71 Division 2- Cohuna Golf 91 v Cohuna 61 and Barham Services 78 v Kerang 58 Division 3- Barham Services Blue 66 v Kerang White 65 and Cohuna Golf 78 v Cohuna 66.

Preliminary final results: Division 1- Leitchville 75 v Cohuna Golf 1 69 Division 2- Barham Services 72 v Cohuna 64 Division 3- Kerang White 66 v Cohuna Golf 61 Grand Finals (all at Barham Services Bowling Club) Saturday 12th March commencing at this stage, at the usual afternoon time slot. Division 1- Leitchville v Kerang Division 2- Barham Services v Cohuna Golf Division 3- Kerang White v Barham Services Blue Good Bowling to all Clubs in the Grand Finals.

Working Bee: A great contingent of folk turned out to put their elbows and backs to the grind in order to prepare the front green in readiness for lasering. Thanks to the number of people who turned up, the job was completed on the day despite the heat. Thankfully, due to the early start, the bulk of the work was done before the heat really set in. Not only did the green get sacrificed but adjustments were made to the sprinkler lines and the bar fridge had a good clean out (in various ways). It was good to see that the attendance was not gender exclusive. Thanks to all who assisted with the provision and serving of the morning tea twice over. The refreshments were highly welcomed and well deserved. The lasering has now been carried out so it’s a matter of nurturing the regrowth in hopes of having a truly improved playing surface. Well done to Allan for all his work in organising and conducting the project.

Tournament Elders Pairs: For the third time this bowling season we have had to cancel a tournament due to extreme heat. This is an unfortunate situation but the Club has made the best decisions in the light of player safety. It is hoped to re-schedule this tournament for a date later in the year.

Champion of Champion Pairs: On Sunday 13th March, Fred and Laurie and Kate and Jean will compete at District Level in the Champion of Champion Pairs competition. We wish them every success with good bowling and good luck. We are already proud of your achievements.

Moama Bus Trip: The Club has organised for a social outing to Moama Bowling Club on Sunday 3rd April. There is no cost for the bus trip. Members are asked to contribute to, and provide an item for, the raffles. The meal and drinks will be at your own expense. The bus leaves Pyramid Hill at 11:00am. Please place your name on the sheet at the Club Rooms to indicate your intent to attend.

Presentation Night: Please put a note on your diary for Friday, 13th May.

Best Wishes to Dawn who is soon to be married to Glen (our Gunbower compatriots). The members of Pyramid Hill Bowling Club wish you a beautiful day and a lifetime of wonderful moments.
Leaders Inducted at Pyramid Hill College

Awards, Music and the Honourable Dr Sharman Stone MP were the highlights of the Pyramid Hill College Assembly on Friday 4th March.

Dr Sharman Stone and School Council President, Mr Rowan Broad assisted in inducting the 2016 school leaders. The 2016 Pyramid Hill College school captains are Feliz Garchitorena and Teagan Stewart.

Other leadership positions included Julia Fernandez and Samantha Treacy as Community Leaders and Jessica Gunther and Olivia Pickersgill as House Captains.

Liberal Member for Murray, Dr Sharman Stone complimented the girls on their willingness to take on positions of leadership.

She explained that such positions were good practice for the student's lives ahead and required hard work. Dr Sharman Stone said "Pyramid Hill is my favourite school as this is where I went to school".

She explained some of the processes and changes she witnessed in her time as a student including the choice of the existing school uniform colours of maroon and blue.

Her recollections also encompassed her family's involvement in the school and the unique shape of the local hill as the school emblem.

The official presentations were complimented by singing performances by students in Prep and Year 1 as well as a drumming performance by students in Years 5 and 6.

A large attendance of parents and local community members highlighted the importance of the assembly for not only the college students.

Other presentations included the SRC Representatives for 2016: Mia Farrar, Kaitlin Broad, Erin Farrar, Marcus Fergusson, Haydyn Clough, Ally Burke, Raidan Forster, Mikayla Gibson, Kevan Coronacion, John Caburnay, Katrina Salmond and Colby Petrowsky.
