Saltbush Lamb at Pyramid Hill Butchery

There’s a new flavor in the Pyramid Hill butcher’s shop. A taste usually reserved for city restaurant goers, Saltbush Lamb is on the local menu for the next few weeks.

Paul “Jack” Walters and his team, offer a great selection of quality meats presented in a variety of cuts. Meat packs made to order, cut up private animals, spit meats, frozen fish and poultry are just some of the produce and services available.

A good range of fruit and vegetables fresh from Rocky’s Fruit and Veg shop in Cohuna are now available in the butcher’s shop and this complements the new deli and self serve section. If you need particular fruit and veg you can order it Monday morning and pick it up on Thursday.

Paul’s shop is conveniently located over the road from the IGA on the corner of Victoria and Kelly streets. The friendly staff and well kept shop make sure you always have a pleasant experience at the Pyramid Hill Butchery.

First available at the end of last summer and autumn, this is the second time saltbush lamb has been sold in the shop. Glowing reports came back from customers last year as people were very impressed by the tenderness and unique flavor.

Old Man Saltbush is a deep rooted plant that brings up the minerals and salts from deep down in the soil and into the leaves. After the sheep have eaten the salt covered leaves for more than six weeks the meat is infused with an amazing flavor.

The lambs are fattened on sixty acres of Old Man Saltbush on the Naylor’s property out in the Terricks and are of the great tasting Wiltipoll breed. So come along to the Pyramid Hill Butchery and don’t miss out on some great food and this year’s season of saltbush lamb.

From the Pyramid Hill Advertiser
24 November 1954

Would you know a piece of Volcanic Glass (Osidian) if you found one? That there are such curios to be found at Pyramid Hill was recently established by Mr John Broad who recently had a piece examined and defined by an expert. Mr Broad found a small oval of heavy, metallic looking material amongst crushed rock obtained from the Pyramid Quarries, and curious as to its nature, handed it to Mr McAlister of Bendigo, who is an authority on such matters. It was first thought the material was a Moldavite (small meteorite), but assay showed it to be volcanic glass (Osidian). With a specific gravity of 23-26, this natural "glass" is of volcanic origin and probably originated at the time of volcanic upheavals which caused the rock formations to burst the earth's crust and settle to the unique pyramid shape from which the Hill was named on discovery by Major Mitchell in 1836.

Pyramid Bowls

Bowls, bowls and more bowls! It was nice to have a few days off over the Christmas break but once the New Year kicked off so did the bowls.

Our New Year started with a tournament generously sponsored by Mawson’s Quarry, and we followed that up with another tournament on Australia Day sponsored by Miller’s Ag and Ian Howard Real Estate. Both of these events were very successful, with thanks in particular going to Lionel and the Tournament Committee who ensured that players were rounded up and that the program was well organised. The sponsorship was highly valued and much appreciated. Well done to all involved. On both occasions we managed to have local winners.

With many consecutive days of bowling on the calendar it has been a big ask of our team of volunteers to have the greens and surrounds looking in top condition. Of course we expect the bowling surface to be A+ and Allan and Andy are certainly doing their best to comply. It is a task that requires many hours of labour regardless of the heat and wind (and now the rain). It’s always easy to find fault with the greens when our bowls don’t run as well as we would like, but rest assured that many hours of labour have been put into their preparation. Along with the playing surface, the general surrounds need attention and all who lent a hand in whatever way, big or small, deserve a pat on the back. Whether you mowed the lawns, pulled some weeds, cleared the ditches of weeds, painted the white lines, defrosted the fridge, topped up the drinks supply, helped with the catering, organised or donated items for raffles, set up tables … the list goes on and on….your contribution towards making our Club operate so well has been noticed and appreciated.

The New Year was not very old when we were back into Pennant Competition and 60 and over matches. As seems to be our lot, we continue to be competitive but not quite to the stage of upsetting any of the big guns.

In 60+ matches, no dead chooks have been coming Pyramid Hill’s way with the exception being Andy who managed to catch a boiler last week. Sadly his claim to fame was tainted by the fact that he was playing for an opposing team, not the Pyramid Hill boys. There is no justice… but well done Andy! I hope you kept the feathers to feather your nest.

Mid-Week Pennant has drawn to a halt for our players. Both Divisions put in strong performances to close the year.

**Division 1** cooked their goose the week prior to the last game when they had a do-or-die match against Barham Sports and failed to overcome the numbers deficit to win a place into the finals. Their last match against Barham Services was a fine performance and, although not winning, the opposition were certainly under the pump and sweating on the outcome. Results for that match were: Jan (the champion bowler with a miraculous final bowl) brought her team (Marg, Glenys and Graham) to victory by 1 shot 24-23. Kate, Marie N., Helen and Ian played well and were unlucky to go down 18-23. Marie S., Nola, Andy and Bill only trailed by 9 shots at the final siren. 20-29. The overall loss by 13 shots was a strong performance against a team in the final four and desperate for points to maintain their position on the ladder.

**Division 2** also finished strongly and, with two matches to be played in the final week, they did extremely well. A few good wins on some rinks were unfortunately liquidated by some big losses on others. As well there were some tight 1 shot finishes. It’s a bit like trying to catch that elusive ocean wave.. we’re just not sure when the big one is coming and when it’s time to start the ride. A lot of ebbing and flowing. In their second last match, they played Cohuna Golf narrowly winning two rinks and just losing the other rink by 6 shots giving them a deficit of 2 shots overall against the second placed team. In the last match, fortunes were not so good but a magnificent win by Robyn, Gladys and Beth (28-9), who all played brilliantly, gave them some hope against the strong Barham Services side. Bigger losses on the other rinks (Lorraine, Alan J., Rose 9-37) and (Jean, Dawn, Jenny 11-26) counteracted against this great win. Overall defeat 48-72. A huge “Thank You” to all players who have made themselves available throughout the season. Special thanks must be extended to the folk from Gunbower who help make up our teams. Good luck to all teams participating in the finals.

**Saturday Pennant** continued in much the same frame. Some winning rinks but not enough scoring to pull off a big one.

**Division 1** played the Cohuna Golf team in the latest match and, although performing well up to lunch fell away in the second half of the day. Beau’s team (Ian, Kate & Graham) was neck and neck until the last couple of disastrous ends through not much fault of their own (21-36).

Lionel, Marie S., Charlie and Andy got off to an early lead and although that dwindled away they had a close finish (20-23). Fred, Laurie, Marie N. and Peter struggled to get multiple scores and finished well down despite some great bowls by the Skip, Fred.(16-34). When it’s all said and done, we were beaten by a far better and more consistent team. (57-93)

**Division 3** played Barham Services and were a few shots short of the victory 68-79 but managed to win two rinks. Nola with Robyn, Ernie and Alan J. were successful with 22-18 bragging rights. Allan F., Glenys, Lorraine D and Bill won a very tight one 22-21. Success was not on the agenda for Jan, Jean, Barry and Lorraine F. as they went down 16-40. It was an unusual experience to be playing in the rain, and even to be forced into a rain delay at Cohuna Golf. The rain did little to dampen our spirits – the opposition did that all by themselves.

**Next week** both teams have a bye – time to regroup before the final three rounds.

**Best wishes** to our mate, Wayne, from Gunbower who has suffered an unfortunate accident. We wish you a speedy and full recovery, Wayne, and hope to see you back on the greens next year. It was heart warming to see Lily looking so healthy again and we look forward to your company again next season, Lil.

**Our next Tournament** is on February 24th. It is a Star Day Fours comp so members are encouraged to give some thought to entering a team, but also being prepared to help with the jobs that need to be done to make the day successful.
